Armed Robbery Notice – Ferro-Alloys and Metals
Appeal to SA Scrap Metal, Foundry and Steel Industry

Date: 28 September 2022

Dear Stakeholder within the South African Scrap Metal, Foundry and Steel Industries, it is with great regret that I inform you of an **armed robbery** consisting of over 20 armed men at our warehouse in **Wadeville, Johannesburg**.

The products stolen were:

Ferro-Molybdenum Size 1 – 5mm

Ferro-Molybdenum Size: 5 – 50mm

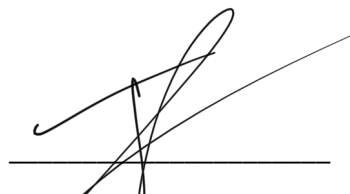

Ferro-Silicon

Nickel Briquettes and Squares

Please note this is being investigated as a **Serious Crime** as it was a violent crime and no stone will be left unturned.

I am personally appealing to the entire Metals industry here to please **think twice** before buying ANY of the products above, if they are being offered from a source not linked to a producer or cannot prove providence please report it to ourselves or the police.

Yours in industry,

Joshua van Flymen
