Dear Member

### **AGP Robbery**

We suspect that the next step will be to cut the bars into small pieces in order to make the material less identifiable. However, we will still be able to identify our product.

Sizes (OD X ID)

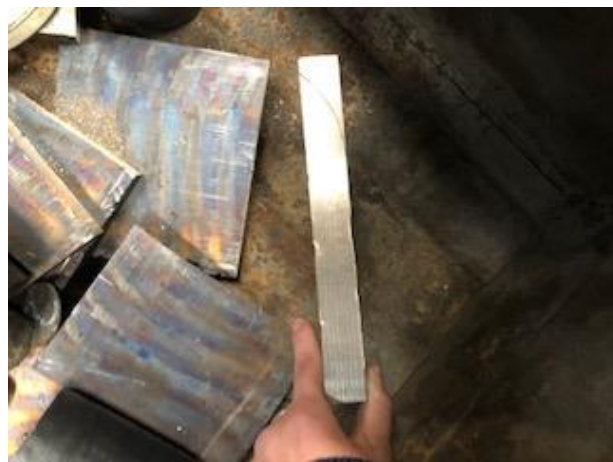

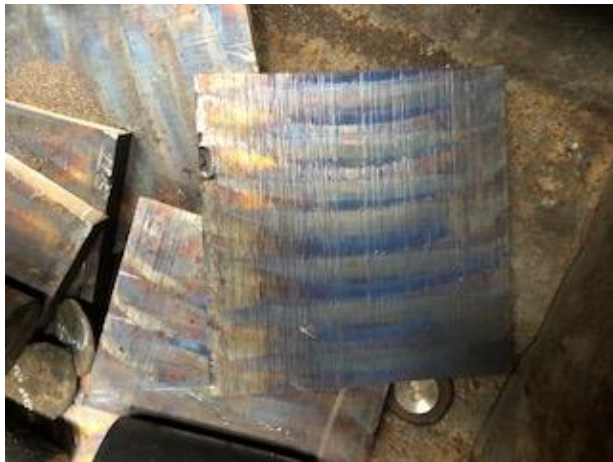

41 X 14

204,8 X 23,7

146 X 114

146 X 101

114 X 88

We would like to thank the whole metal industry for their assistance and support.

Hopefully, we can work collectively to ensure this does not happen to any other business's

Yours sincerely;

Jonathon Merkel
