

Quarterly Report - May 2022

## Outstanding programme for long-awaited face-to-face meeting in Barcelona

Later this month, [we will be meeting in Barcelona](#) for what promises to be an outstanding BIR Convention, with an expected attendance of 900-plus participants. **Being able to interact in person after more than two years of virtual meetings feels like a real privilege.**

The Ferrous Division board has put together [an exceptional programme, with high-profile speakers and updates on the international market situation](#). We have been very fortunate to secure the participation of **Eric Niedziela, Vice President Climate Action at ArcelorMittal Europe**, and **EuRIC President Olivier François**, who will be offering attendees an insight into crucial topics such as **decarbonization of the steel industry** and the **effects of the EU Waste Shipment Regulation**. There will also be the release of the **13<sup>th</sup> edition of our flagship statistics publication “World Steel Recycling in Figures”**.

Along with the entire Ferrous Division board, I look forward to meeting with as many of you as possible in Barcelona, so please [register for the Convention](#) if you have not already done so (...) [<Read more>](#)\*
