Dear Member

Truck Hijacked and stolen

Good day,

Our Hyundai 1.5 ton truck was high-jacked and stolen this morning. Our driver was held captive in the veld somewhere on Heidelberg Road until the thieves had the tracking device removed.

The goods on board are as follows

Brass Forging Urinal Fitting = 606 off = 455 Kg's - packed in clear plastic bags see pic
Brass Forging Switch operator = 800 off = 51 K's packed in clear plastic bags. See pic

We lost the truck as well YHH 035 GP White Hyudai 1.5 tonner

Please circulate and hopefully we can recover the goods

Thank you so much

Kind Regards
