Dear Member

AGP Recover Material

We would like to notify the MRA and all relevant parties that some of our material has been located in possession of well- known scrap dealers.

Investigations are in progress, and we are determined to bring the involved parties to book.

Should anyone have any information with regards to the material or any involved persons, kindly do not hesitate to call the individuals below. All information will be strictly confidential.

Roy Robertson- 082 891 9726
Johan Wolmarans- 0826525530
Jonathon Merkel-0826044444

Please see below pictures for reference:

We suspect that the next step will be to cut the bars into small pieces in order to make the material less identifiable. However, we will still be able to identify our product.
