

19 May 2020

Dear Member

The MRA has been advised by ITAC that the following consumers are short of ferrous scrap inventory:

- SCAW
- CAPE GATE
- UNICA
- FORTUNE

Members are reminded of current published pricing [ITAC prices 13.05.2020](#) and that standard PPS terms include full payment prior to release / delivery, with transport costs for the buyer's account.

Yours Sincerely

MRA Administration
